Fiscal Analysis

ASSUMPTIONS:

State Auditor's Office (SAO)

1. The State Auditor's Office estimates that 10 – 20 companies may apply to do business in Montana as medical care and pharmacy discount card providers.
2. The State Auditor's Office estimates there will be minimal fiscal impact to our office during the 2006-2007 biennium. The State Auditor's Office may approach the next legislature for additional FTE and operating costs due to increased workload related to the implementation of this bill.
